

Warren County Leadership Institute

Thank You

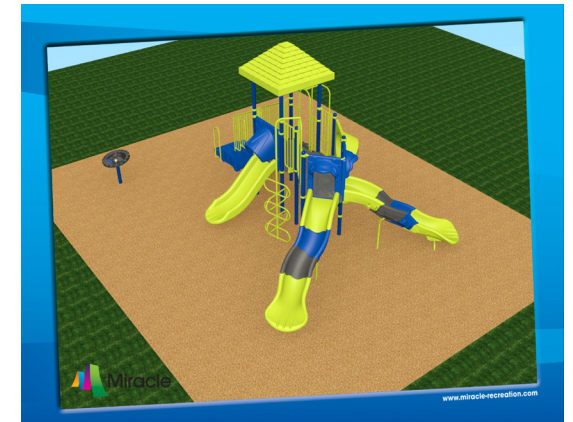

Warren County Fairgrounds Playground Replacement Project

The Warren County Leadership Institute (WCLI) is an initiative of Warren County Economic Development Corporation (WCEDC) and is an integral part of fulfilling WCEDC's mission. The Institute's primary objective is to train and inform leaders to create the best future for themselves, their families, their communities, and their counties.

The Warren County Class of 2022 would like to thank you for reviewing our sponsorship brochure. Any donation is greatly appreciated and will be used to better the Warren County Fairgrounds. Without generous sponsors like you, our class project would not be successful.

Warren County
Leadership Institute
Class of 2022

Class Project

During the Warren County Leadership Institute (WCLI), one requirement is to conduct a class project that benefits the Warren County community.

The Class of 2022 has decided to purchase and install new playground equipment at the Warren County Fairgrounds. The current playground equipment there requires extensive repair and must be relocated. Playground equipment is a large investment for our community.

As a local business owner, resident, and or parent, you know the value of having a safe space for kids to burn off some energy!

The class and the fair have agreed upon a completion date of July 2023. Please note that due to the delay on playground equipment, this could fluctuate.

How can you help?

The Class of 2022 would like you as a business owner, resident, and or parent, to consider participating in sponsorship to help this project come to life and serve the community for years to come. All sponsors will be invited to an opening ceremony once the project is complete.
