A proud partner of

A Welcome Package for Veterans Relocating to Warren County, IA

Welcome to Warren County!

Warren County is ecstatic to partner with Home Base Iowa and the State of Iowa to assist veterans in returning home and transitioning to a civilian life. Warren County has partnered with Home Base Iowa in order to better assist our veterans and provide comprehensive resources to fit their needs.

Home Base Iowa helps veterans pursue positions in Iowa companies, continue

their service through the National Guard and/or Reserves, and continue their education.

Warren County lauds our nation's veterans and welcomes them to our community. In addition to having high quality of life standards and easy access to highways and interstates, our communities are just minutes from the Des Moines metro. This locational advantage gives

Warren County residents the best of both worlds by providing short commutes, virtually no crime, fantastic schools, and affordable housing.

In order to make your transition to Warren County even more rewarding, we worked together to create additional veteran incentives. Please read on to learn more about these special veteran incentives.
